- (a) An employee who was employed by an employer immediately prior to becoming a trainee with that employer must not suffer a reduction in their minimum wage per week or per hour by virtue of becoming a trainee. Casual loadings will be disregarded when determining whether the employee has suffered a reduction in their minimum wage.
- (b) If a qualification is converted from an AQF Certificate Level II to an AQF Certificate Level III traineeship, or from an AQF Certificate Level III to an AQF Certificate Level IV traineeship, then the trainee must be paid the next highest minimum wage provided in this schedule, where a higher minimum wage is provided for the new AQF certificate level.

### **D.5.4 Default wage rate**

The minimum wage for a trainee undertaking an AQF Certificate Level I–III traineeship whose training package and AQF certificate level are not allocated to a wage level by Appendix D1 is the relevant minimum wage under this schedule for a trainee undertaking an AQF Certificate to Level I–III traineeship whose training package and AQF certificate level are allocated to Wage Level B.

## **D.6 Employment conditions**

**D.6.1** A trainee undertaking a school-based traineeship may, with the agreement of the trainee, be paid an additional loading of 25% on all ordinary hours worked instead of paid annual leave, paid personal/carer's leave and paid absence on public holidays, provided that where the trainee works on a public holiday then the public holiday provisions of this award apply.

**D.6.2** A trainee is entitled to be released from work without loss of continuity of employment and to payment of the appropriate wages to attend any training and assessment specified in, or associated with, the training contract.

**D.6.3** Time spent by a trainee, other than a trainee undertaking a school-based traineeship, in attending any training and assessment specified in, or associated with, the training contract is to be regarded as time worked for the employer for the purposes of calculating the trainee's wages and determining the trainee's employment conditions.
