AARON, CHLOE, N/S PASSERS-BY

CHLOE KNOWS HOW TO FIX HENDRIX'S BEHAVIOUR

Aaron walks with Chloe through the Complex, shocked to hear about Hendrix.

1. AARON

Why haven't you said anything to Pierce yet?

2. CHLOE

I don't know if that's the smartest way to play it.

3. AARON

It's not a game.

*

4. CHLOE

No, it's not.

*
*

5. AARON

If Pierce knew, he'd tear strips off the kid.

*
*
*

6. CHLOE

Which is exactly what Hendrix wants. If I tell Pierce, he'll get attention. That's what he's after.

*
*

7. AARON

You sure about that?

*

8. CHLOE

I know all about doing dumb things to get a reaction from a dad you're not getting what you want from.

*
*
*
*

9. AARON

Maybe, but the crap he's pulling on you and Ebony is more than just dumb.

*
*
*

10. CHLOE

You're right. It's gross, immature and pathetic, and I made that very clear.

*
*
*

11. AARON

You reckon a lecture from you is enough?

*

12. CHLOE

(no)
We need to get to the root of it. But I hope there's a way to do that without making things worse between them.

*
*
*
*
*

Chloe's got a plan.
