

# GET REAL ON RATES

## Australian Screen Industry

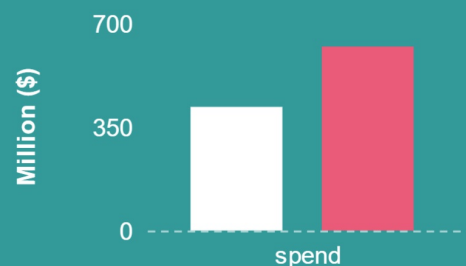

Contribution to the Australian economy

## EMPLOYS

2000-01 2012-13

Increase spending on Aus screen production

## CREW SPEAK

'The Get Real On Rates campaign is vital as crew are getting paid the equivalent to 10 years ago, this needs to change.'

Jen Richard, Safety supervisor & unit nurse

'Rates have not changed for 20 years, yet the cost of living keeps going up. What was once a viable industry for families to survive in, has now become nearly impossible to sustain a career.'

Andrew Conder, DoP
