I declare that:

- the officers listed in this ORP statement are those whose relevant remuneration places them in the top five rankings of officers;
- where fewer officers are listed, this is because only those listed officers received relevant remuneration;
- the only officers in the top five rankings who received non-cash benefits are those for whom an amount is listed in the non-cash benefits column;
- the persons and entities listed under 'payments to related parties' are the only related parties or declared persons or bodies that are required to be disclosed under section.293G, where none are listed this is because there were no disclosable payments;

Signed (by the officer making the declaration):
